Dear Pascale Hair,

Thank you for authorizing to enter the amendment by Examiner's amendment. However, claims cannot be renumbered by amendment unless you switched the limitations, if that is what you meant. If I understand you correctly, claims 10 and 11 need to be amended as follow: limitations of claim 11 need to be moved to claim 10 and vice versa and claim 11 is further amended to depend on claim 10. Claims 22 and 23 will be amended the same. Please feel free to clarify.

Sincere Regards,

Dear Examiner Colin,

6/21/2007

The Applicant thanks the Examiner for the email message of June 20, 2007 regarding the incorrect dependency of pending claims 10 and 22 and for the Examiner's offer to correct the dependency by way of an Examiner's amendment.

Because the subject matter recited in pending claim 10 is dependent on the subject matter recited in pending claim 11, and the subject matter in pending claim 22 is dependent on the subject matter recited in pending claim 23, the Applicant respectfully requests the Examiner to renumber and amend the claims as follows:

pending claim 10 renumbered as claim 11 and amended to depend from claim 10;

pending claim 11 renumbered as claim 10;

pending claim 22 renumbered as claim 23 and amended to depend from claim 22; and

pending claim 23 renumbered as claim 22.

An email authorisation is enclosed.

Many Thanks & Kind Regards
